

Quick-Release tank module P3010, 30 cm³

Item number: 01.04.272

- For vacuum pump P3010.
- Quick release by accumulating and utilizing the feed-air pressure as a boost.
- ON/OFF activated simultaneously with the P3010
- Three sizes for optimizing release volume with system volume.

Technical data

Description	Unit	Value
Material	-	Al, Nitrile (NBR), PA, PPS, SS
Temperature, max.	°F	122.0
Temperature, min.	°F	14.0
Weight, min.	oz	2.54
Feed pressure, max.	psi	0.10
Volume	in³	1.83
Height	in	2.047
Length	in	0.63
Width	in	2.26
Volume, Quick-Release	in³	0.18
